

Want to graduate college with less debt?

We can help — with a forgivable loan designed to help you finish your education with less debt.

If you're an individual pursuing a degree in a healthcare-related field, Questa, in partnership with the K21 Health Foundation, can help fund your education. High school seniors, current college freshmen, and adult learners from Kosciusko County can receive up to \$5,000 per year (\$2,500 per semester) that is up to 75%* forgivable.

Program requirements

- Be a resident of Kosciusko County
- Seeking a bachelor degree
- Planning on majoring in healthcare-related fields
- Accepted by and planning to attend an accredited, not-for-profit college or university in Indiana
- Cumulative GPA of 2.75 or greater is preferred for traditional students
- Cumulative GPA of 2.5 or greater is preferred for contemporary students

*Loan forgiveness options may vary. 50% of our loan is forgiven when a scholar graduates with their degree in a healthcare-related field and anticipates living and working in Kosciusko County. An additional 25% may be forgiven when a scholar graduates from one of our partner schools.
