

## Want to get a head start on your career?

We can help — with a fully forgivable loan designed to help you finish college with less debt.

Questa Education Foundation, in partnership with the AWS Foundation, is offering a fully forgivable loan for students pursuing their licensure, certification, bachelor's or master's degree in Special Education. Scholars are eligible to receive up to \$5,000/year. Our loan is 100% forgivable when you graduate and work in special education in Northeast Indiana public schools for at least 5 years. That means you can jump straight into your dream career without worrying about paying back your loan.
