

GRADUATE COLLEGE WITH LESS DEBT.

QUESTA
EDUCATION FOUNDATION

Empowering you with financial freedom.

At Questa, we believe students should be able to further their education without going into debt. That's why we offer a **forgivable loan** — so you can pursue your degree and graduate with less debt.

To Qualify applicants should be a resident of Northeast Indiana who are completing a certificate, associate, or bachelor's degree, attending a college or university in Indiana. Open to current students starting throughout the year, returning students, and adult learners.

How does it work?

You'll simply apply to the Contemporary Scholars Program and, if accepted, receive a forgivable loan to fund your education and graduate with less debt. By completing your degree program and graduating from a partner school, up to 75% of your Questa loan could be forgiven.*

Contemporary Scholars may borrow funding for a certificate, associate, or bachelor's degree (\$5,000 per year; \$2,500 per semester).

Apply today to change your future.

Applying to Questa is easy. Simply scan the QR code to start your application and upload your required documents. You can save and finish your application at any time.

NORTHEAST INDIANA

*Loan forgiveness options vary by program and may differ from other Questa programs.

Questa's mission

We help students access further education, graduate with less debt, and become contributing members of Northeast Indiana's workforce.
