

GRADUATE COLLEGE WITH LESS DEBT.

Empowering you
with financial
freedom.

At **Questa**, we believe students should be able to further their education without going into debt. That's why we offer a **forgivable loan** — so you can pursue your degree and graduate with less debt.

To **Qualify** applicants should be recent high school graduates or college freshmen from northeast Indiana, attending a college or university in Indiana.

How does it work?

You'll simply apply to the Traditional Scholars Program and, if accepted, receive a forgivable loan to fund your education and graduate with less debt. By completing your degree program and graduating from a partner school, up to 75% of your Questa loan could be forgiven.*

Traditional Scholars may borrow up to \$10,000 for a certificate or associate degree; or up to \$20,000 for a bachelor's degree (\$5,000 per year; \$2,500 per semester).
